

Savings for Hotels

Consider this example of a hotel's solution when forced with the need to replace all their pillows.

3200 new down/feather pillows through their corporate office @ \$21.50 = \$68,800

Renovating and Buying New Pillows Via Harris Pillow Supply:

3200 pillows renovated 2 into 1, then replaced the lost pillow with a new one from us.

1600 @ \$5.50 = \$8,800 - renovated

1600 @ \$18.95 = \$30,320 - new

Total Cost = \$39,120

Total savings of \$29,680!!!
